Charges for Scan and Physical Inspection

Indication of Charges for Dutch Customs Scan and Physical Inspection on import shipments

This document aims to provide you an indication of charges which may occur once your shipment becomes subject to an inspection by Dutch Customs, either Scan or Physical Inspection.

For more information about Dutch Customs Scan and Physical Inspection, please refer to the document "Scan and Physical Inspection" on the local website.

Please note all information in this document is for reference purposes only. Actual charges may differ from case to case, and may be different from charges indicated in this document. This information, including mentioned charges, may change without prior notice.

Charges for scan-containers

Charges for each scan-container are **€140,00** (effective JAN/1/2008), payable before pick-up of container (only applicable to import containers with destination Rotterdam (including transshipment containers via barge), not applicable to transshipment containers via sea).

PHYSICAL INSPECTION

Transport and inspection charges:

	ECT Delta	Uniport
Transport costs (2 x move)(ECT incl. 1 day chassis hire)	= € 175,00	€ 80,50
New seal (cntr doors open/closed)	= € 29,50	

Loose cargo:

Check of 20ft cntr (loose cargo) incl. new seal	= € 157,00	€184,00
---	------------	---------

Check of 40ft cntr (loose cargo) incl. new seal	= € 349,00	€ 348,00
Check of 40ft High Cube cntr (loose cargo) incl. new seal	= € 391,00	€ 397.50
Palletized/drums:		
Check of 20ft cntr (palletized/drums) incl. new seal	= € 82,00	€ 121,00
Check of 40ft cntr (palletized/drums) incl. new seal	= € 178,00	€ 222,00
Check of 40ft High Cube cntr (palletized/drums) incl. new seal	= € 199,00	€ 250,00

Gas/Fumigated containers (both ECT Delta, ECT Home and Uniport):

Costs for **gas measuring** (customs selections) will be for account of Dutch Customs up to JAN/1/2008. As from JAN/1/2008 charges will be for client's account:

ECT Delta:

- Gas measuring without gas found EURO 100,00 per container
- Gas measuring with gas found EURO 123,00 per container

ECT Home / Uniport:

- Charges to be advised

Separate requests for **gas measuring** by client = € 220,00

Costs for **degassing** are: For 20ft cntr € 344,00 + handlings € 137,00

For 40ft cntr € 390,00 + handlings € 137,00

Chassis hire (both 20ft and 40ft cntrs):

Chassis hire ECT Delta € 35,00 per cntr per day.

Chassis hire Uniport € 46,00 per cntr per day

For containers at Uniport that need to be degassed, additional transport charges to ECT are applicable.

Please be advised that actual costs for degassing may be different depending on the type of gasses found and the duration before the "gas-free"-certificate can be obtained.

Separate request from customer for transport of container by BGS for gas measuring: € 136,00

Dangerous cargo:

Please be advised that charges for containers selected by **IVW (Inspectie Verkeer en Waterstaat)** for Dangerous Cargo can be different from the above mentioned.
